ON THE BACK OF THIS FORM, please list all activities that may cause conflicts with rehearsals & show times between now and the final date of the performance. These include work schedules, school schedules, school events, volunteer activities, and personal events such as weddings, parties, and other events not listed.

Since we consider the amount of time you have available for rehearsals, we must know what other obligations and commitments you have in your life so we can make the best decision when casting rolls.

Regardless of the part you are cast, please understand that you must be available for the entirety of the tech rehearsal week that occurs during the week prior to the opening of the show as well as all dress rehearsals leading up to the opening of the show, and the entire production run of the show.

The schedule listed on the back of this Audition Form is accurate to the best of my knowledge. I understand that I need to attend all rehearsals, and if I cannot, I need to communicate with my director as soon as I am aware of any scheduling conflicts.

I understand that the schedule is my responsibility and failure to meet production commitments may result in my removal from the cast.
